Acknowledgement

On behalf of the Department of Industry, I am pleased to present the latest edition of this publication for the fiscal year 2081/082 (2024/2025). This publication reflects our ongoing commitment to providing accurate, timely, and comprehensive data to support evidence based policy making, investment decisions, and sustainable industrial growth. This Industrial Statistics Book has become an essential resource for a wide range of users including researchers, academicians, entrepreneurs, planners, policymakers, and financial institutions.

Beyond employment generation, industries serve as catalysts for innovation, infrastructure expansion, and investment promotion which are key elements in building a strong and resilient economy that fulfills the aspirations of the Nepali people. As highlighted in this edition, besides contributing to boost economic growth industrial advancement also paves the way for long term, sustainable development. Based on the available data, it has been observed that there is a growing trend in ICT based and mineral based industries, while significant potential also remains in the Energy, Agro & Forestry, Manufacturing and Tourism sectors.

The Department of Industry remains fully committed to continually improving the quality and scope of this publication to make it even more beneficial to its stakeholders. We sincerely welcome your feedback, comments, and suggestions, which will help us enhance future editions and ensure that the *Industrial Statistics Book* continues to be a valuable and comprehensive reference for understanding Nepal's industrial landscape and economic transformation.

I would like to extend my heartfelt appreciation to everyone who contributed to the successful completion of this publication. In particular, I would like to thank Mr. Prithibhi Vijay Sijapati, Director of the National Statistics Office and Mr. Sunil Kumar Yadav, Director of Department of Industry, for his valuable cooperation and contribution in data analysis. My sincere gratitude also goes to the entire editorial team for their dedication and hard work in bringing out this annual review of Nepal's industrial statistics.

Kartik, 2082

November, 2025

Rajeshwor Gyawali
Director General
